

Two Days Training Program on

First Aid

ABOUT THE PROGRAMME

In Case of an accident/Injury the injured person needs an immediate relief so that his conditions dose not get deteriorated, for the First Aid is needed. This programme is organised to enable all the industries to have at least one person trained to provide First Aid in case of emergency. This is also necessary to meet the statutory requirement as per section 45(3) of Factories Act.

The Main Focus of the programme will be to give exposure on practical aspects of First Aid to the participants which in turn will help the industry, his colleagues, his surroundings and at homes also.

At the end of the programme a test will be conducted and a certificate will be issued to the

successful participant in person. This certificate is valid for three years from the date of issue and recognized by Govt. of Gujarat from Labour & Employment Department, Gandhinagar.

The industries are requested to depute their representatives for further inquiry.
