

One Day Training Program on **Health and Safety at Work**

OBJECTIVES

Formation of Safety Committee is a statutory requirement as per revised Factory Act, hence to make the safety committee effective, the members should know what they are expected to do and how they can do it.

The awareness about their role helps them to perform better, resulting in to reduced number of accidents ultimately improving the morale of the employees and productivity of the organization.

Participation certificates will be issued to the participants in person at the end of the program.
